4. SPORT TRAILS 2021

Congratulations to all learners who were chosen for their respective sport teams. We hope that we may, in spite of Covid-19, continue with sport matches in term 2. Sport practices will resume in term 2.

5. TRANSPORT

Please arrange transport for learners after sport practises. Rugby practice will be on days when boys attend school while hockey and netball practices on days girls attend school.

6. REPORT CARDS TERM 1

Due to problems at Head Office, no report cards will be released in Term 1. The report cards will only be available in Term 2.

7. USE OF CANNABIS (DAGGA) IS ILLEGAL AT SCHOOL:

The Constitutional Court clearly states that dealing in or using cannabis in a public place is prohibited and regarded as a criminal offence. Therefore all dagga related incidents at the school will be referred to the SAPS.

8. DANGERS OF SOCIAL MEDIA :

We urge parents to assist in teaching your children about the dangers of social media. Learners use social media to post personal issues and do not realize that all information on social media can be used against them for various reasons. We constantly deal with cases where bullying takes place due to social media.

9. DIFFERENTIAL APTITUDE TEST (DAT)

On 4 and 5 May our Grade 9 learners will be writing the aptitude test. The test will start punctually at 8:00. The DAT has been developed to measure specific aspects of intellectual functioning to help to predict potential success in a subject or career choice of a learner.

The service will be rendered by the company "Human Progress Management."

The results of these tests will be discussed with the parents of the grade 9 learners during a special parents evening in August.

10. WEARING OF MASKS

According to law all persons must wear a mask in a public place. Too many learners are not abiding by this law. Please make sure your child leaves home wearing a mask.

Vorle Regards
